

The Future of Ekin Road

Have your say on plans for redevelopment at Ekin Road

Cambridge City Council would like to share with you the latest plans for 130 new homes in Ekin Road, being delivered as part of the Cambridge Investment Partnership.

Two interactive events will be held, one in person and one online. You will be able to meet with the project team and ask questions, as well as take part in activities to inform the proposals which will be submitted for planning approval in 2025.

Please come along, help yourself to a free tea or coffee and learn more about our plans whilst letting us know your views.

Scan the QR code for further information, or if you have any questions, email ekinroad@cambridge.gov.uk or call 01223 457000
